

NHYCL RULES SUMMARY

OPEN UNDER 18

Pitch	22 yards
Stumps	28 inches (above the pitch)
Outfield	40–70 yards. This guideline can be overridden by the playing conditions of individual competitions or to accommodate local ground conditions.
Duration	All matches shall consist of 20 overs per innings except if deemed a late start or if there is a weather interruption and therefore subject to a reduction of overs to both innings (see below <i>Regulations and Guidelines</i> and <i>Match Postponements due to Inclement Weather during a Match</i>).
Ball	5½ ozs. One new hardball per match to be supplied by the home team (unless both teams mutually agree, prior to the toss, that there will be a new ball for each innings). At least one decent spare ball should be available. A pink ball must be used in all evening hardball matches (ie any match starting at or after 5pm).
Number of Players	9-a-side, unless team managers mutually agree in advance that it can be 10 or 11 players per side. If a team ends up with 1, 2 or 3 players less than the pre-agreed number, it should still fulfil the fixture (and the opposition may still field its full quota). If a team turns up for a game with fewer players than the agreed number, the Laws of Cricket shall apply (i.e. the team shall play only with the players they have brought to the game with no player batting more than once and no bowler bowling more overs than is permitted in the NHYCL rules).
Retirement	After 8 complete overs OR on reaching 50 runs within their allocated 8 overs. Batsmen that have retired are NOT permitted to return to the wicket. The last pair do not have to retire. If the match is less than 11-a-side the last man stands rule applies ie when all but one of the players in a team are out, the not out player continues to bat with a runner until he/she is out, or the runner is out, or the allotted overs for the innings are completed, or the match is won (whichever is soonest – see also the rule regarding runners in the <i>Regulations and Guidelines</i> below). For the avoidance of doubt, in matches which were pre-agreed as 11-a-side (even if one team subsequently ends up with less than 11 players), the last man stands rule does not apply but the last pair may bat on until one of them is out, or the allotted overs for the innings are completed, or the match is won (whichever is soonest).
Bowling	Only two bowlers may bowl a maximum of 4 overs, and no other bowler may bowl more than 3 overs. However, if an innings is reduced to 16 overs or less, no bowler may bowl more than 3 overs. In any match in which less than 20 overs are allotted per innings (eg in a match with a delayed start) a minimum of 6 bowlers must be used by the fielding side if all the allotted overs are bowled.
Last Over	The last over of an innings must contain 6 legal balls (Wides and No Balls still score 2 runs plus any other runs scored – see “Scoring from no balls and wides in league and cup matches for all age groups” section).

NORTH HAMPSHIRE YOUTH CRICKET LEAGUES: COMPETITION RULES - SUMMER 2019

No Balls A bouncer which passes the popping crease at a height equivalent to the top of the batsman's shoulders (when standing up straight) shall be deemed a No Ball.
A delivery can only bounce once before it reaches the popping crease. Thus a ball that bounces two or more times before the ball reaches the popping crease shall be called a No Ball.

SCORING FROM NO BALLS & WIDES IN ALL NHYCL LEAGUE AND CUP/PLATE MATCHES

No Balls: score 2 runs to extras. Any runs scored from the bat from a no ball, over and above the 2 extras, will be given to the batsman (eg if a no ball is hit for 4, 6 is added to the total split as 4 to the batsman and 2 to extras), and any runs scored as byes or leg byes from a no ball, over and above the 2 extras, will be added to the relevant byes or leg byes total. No extra ball is to be allocated except in the last over of the innings.

The 2 runs for a no ball plus any runs scored from the bat, are recorded against the bowler's analysis. However any byes or leg byes scored of a no ball shall not be recorded against the bowler (e.g. a no ball which then goes for 4 byes will be recorded as 2 no balls plus 4 byes, of which only the 2 no balls are recorded against the bowler's analysis).

Wides: score 2 runs to extras. Any runs scored as byes from a wide delivery, over and above the 2 extras, will be added to the Wides total (e.g. a wide which then goes for 4 byes will be recorded as 6 wides). No extra ball is to be allocated except in the last over of the innings. All extras scored from a wide ball are recorded against the bowler's analysis.

REGULATIONS AND GUIDELINES

- All players must be *bone fide* paid-up members of their NHCDA-affiliated club, and it is each clubs' responsibility to ensure that its players are covered by the club's insurance policy when playing in NHYCL matches.
- To be eligible for a specific summer league a player must be under the declared age below as on September 1st in the previous year. For girls playing in Open leagues, girls can be up to two school years older than the relevant age group.
- In the event that a club has two or more Open teams in the same age group, then any player who is a County Squad Player in the relevant age group (e.g. U13s & U12s in the Under 13 age group), or a District Squad Player who is in the older school year of an age group (e.g. U13s in the Under 13 age group) must play for the A team only.
- District Squad Players at the junior age (e.g. U12s in the Under 13 age group) are permitted to play in a B team, but not in a C team.
- County Girls' Squad Players can play in any Open team in their own age group, but can only play for the A team in the Open age group below their own age group (e.g. an U13 County Girls' Squad Player can only play for an A team in the Open U11 league, but can play for any team in the Open U13 league).
- The NHCDA Committee encourages all team managers and coaches to do their best to enable every player in any match to either bat or bowl, if not both. At any level of NHYCL cricket, picking players to bat at the bottom of the order while not being asked to bowl or keep wicket is not consistent with the NHCDA aim of maximising participation. The NHCDA Committee recognises that it may not always be possible to enable every player to either bat

NORTH HAMPSHIRE YOUTH CRICKET LEAGUES: COMPETITION RULES - SUMMER 2019

or bowl (if not both) in a match (such as, for example, if a team bowls out the opposition cheaply and then chases the target without losing any wickets), but it is hoped that team managers and coaches will always do their best to give every player an opportunity to bat or bowl (or keep wicket) in all matches.

- In all hardball matches umpires should ensure that players are wearing appropriate protective kit, including helmets for all batsmen and for wicketkeepers standing up to the wicket.
- All teams are requested to ensure their scorers agree names, scores and result before leaving the match to avoid discrepancies when results are entered.
- The NHCDA Committee do not expect to see any player used as a top order batsman in the A team playing as a top order batsman in any B or C team match. Any such players should bat at the bottom of the order. Similarly, if that player is used as a regular bowler for the A team, the NHCDA Committee do not expect to see that player used as a bowler in any B or C team match. If in doubt about selecting such a player or what they should and shouldn't be allowed to do in a match, please consult the Competitions Secretary for guidance. If the NHCDA Committee believe a club has been abusing this then that club will be subject to a disciplinary hearing and potential significant penalties for the club.
- To pre-empt any confusion or complaint during or after the match, team managers should alert the opposition manager prior to the start of a game if any regular A team players (who are not ineligible for B or C team matches) are due to be involved in a B or C team match.
- Umpires should ensure that the ECB directives regarding close fielders are adhered to throughout all matches.
- Team managers are responsible for ensuring that their fast bowlers (defined as bowlers to whom a capable wicket keeper of the same age group would in normal circumstances stand back to take the ball) are only bowled in accordance with the ECB directives for preventing injury to fast bowlers.
- The NHYCL Codes of Conduct apply to all member clubs in all NHYCL games. All coaches must reinforce guidelines to all their players and parents that wrong /poor behaviour is not acceptable in any form.
- Umpires should ensure that in all games (for any age group) there are no comments or instructions from parents or coaches to on-field players from the boundary, nor any coaching of an on-field player from the boundary.
- For all U15, U18 and girls' U16 League and Cup matches, plus U13 Division 1 League and Under 13 NHCDA Cup matches, there should NOT be any advice provided during an innings to a fielding team on field placement, nor any on-field tactical advice to batsmen or bowlers. This applies to umpires, coaches and team managers – indeed nobody other than the players themselves should offer tactical advice to on-field players.
- Umpires should mutually agree local terms on their application of wides, application of LBW, and (in matches for age groups not excluded in the point immediately above) the level of interaction or support to be given during the game.
- An umpire in an NHYCL League or NHCDA Cup/Plate match should only call no-ball for an illegal bowling action if, in the umpire's reasonable opinion, the bowler deliberately throws the ball.
- It is the responsibility of the home club to prepare the ground appropriately (including a suitable wicket, a marked boundary, stumps and scoreboard). Matches can be played on properly maintained artificial pitches but the home club must advise their opponents at least 48 hours before the scheduled start time of the match that a non-turf surface will be used and advise them of any special footwear requirements.

NORTH HAMPSHIRE YOUTH CRICKET LEAGUES: COMPETITION RULES - SUMMER 2019

- The home team must provide a pitch of the correct length for the match as stated in these rules. There is no margin of variance and the NHCDCA Committee may take disciplinary action against any club which fails to provide pitches of the correct length.
- All mid-week evening matches in April, May and August should start no later than 18:00 prompt (17:30 – 17:45 is recommended for matches in April and early May). In June and July the games should start no later than 18:15. Late starts are subject to a mandatory reduction in overs: for every six minutes, or part thereof, that the game is delayed past the latest start time, the overs for both teams will be reduced by one. If there is a reduction of overs due to a delayed start, the minimum number of overs is 10 overs per side unless both sides agree to less.
- In all matches, the interval between innings shall be a maximum of 10 minutes from the point when the umpires leave the wicket at the end of the first innings. In evening games umpires should aim for a shorter interval, encouraging players to be back on the field five minutes after the end of the first innings.
- For all evening league games, during the first innings, if there is an interruption in play due to weather, then there shall be a reduction in the number of overs per innings at the rate of one over for each team for each completed period of six minutes lost.
- If a batsman requires a runner, or when the Last Man Stands rule applies, the runner must be the most recently dismissed (or retired) batsman and must wear pads, gloves and a helmet, and carry a bat. If no batsman has retired or been dismissed, the runner should be the next batsman in.
- The home club has the primary responsibility to upload the results of the match onto the NHYCL Play-Cricket website within 48 hours of the match (though the other club may undertake to do this). Both teams should check the accuracy of the result (and, if applicable, the scorecard). Any dispute should be notified to the Competitions Secretary.
- For Pairs Cricket matches (i.e Open and girls' U9s, Open Under 11 Division 3, girls' U11s, and all Cup and Plate matches), only the match result should be submitted. For all other age groups, full scorecards should be submitted including individual runs and bowling figures, and relevant details of dismissals.
- 4 points will be awarded for a win or a win by concession; 2 points each for a tie; 1 point each for an abandoned game not replayed; and zero points for a loss or if game is cancelled.
- A game is deemed to be Conceded when a team has been unable to fulfil agreed fixture for any reason (such as insufficient players to field a team or to provide appropriate adult supervision) unless otherwise permitted in these rules (eg due to a clash with a Hampshire County Cup or ECB National Club Championship fixture). *For the avoidance of doubt, this is the only way a game can be Conceded.*
- A game is deemed to be Abandoned when the published fixture cannot be completed or started due to inclement weather or bad light. Clubs may mutually agree to rearrange the fixture, and if it is subsequently played then that result shall count, but if it is not subsequently played then the result stands as Abandoned.
- A game which is not deemed to be Conceded or Abandoned, but is not played for reasons other than bad weather, is deemed to be Cancelled if it is not re-arranged or, if the published fixture date is changed after the start of the season by mutual consent, the game is not played on the re-arranged date for reasons other than bad weather.
- A game is deemed to be tied if the scores are level, regardless of the number of wickets lost.

The above are the key rules and regulations, but do not cover all issues that may arise.

For all NHYCL rules, regulations and guidelines, see the full NHYCL Rules document at nhcda.co.uk

MATCH POSTPONEMENTS

A match can only be postponed if:

- i) Inclement weather or unsafe conditions prevent it starting; or
- ii) Inclement weather or unsafe conditions prevent a match that has started reaching the halfway point of the second innings; or
- iii) The match clashes with a Hampshire Open County Cup or ECB National Club Championship fixture; or
- iv) The NHCDA Committee permit a match to be postponed for a reason other than i, ii or iii above; or
- v) If a match is called off for a reason other than i, ii, iii or iv above, and the team not responsible for calling it off wish to rearrange it and agree a rescheduled date (though they are under no obligation to try to do so).

MATCH CALLED OFF FOR A REASON OTHER THAN INCLEMENT WEATHER OR A CLASH WITH A HAMPSHIRE OPEN COUNTY CUP OR ECB NATIONAL CLUB CHAMPIONSHIP FIXTURE

1. If a club is unable to fulfil a match for any reason (such as insufficient players to field a team or to provide appropriate adult supervision) unless otherwise permitted in these rules, then this will be automatically deemed a concession unless the other team wish to rearrange the match and agree a rescheduled date (though they are under no obligation to try to do so). If such a match is rearranged but is not subsequently played due to i, ii, iii or iv above, then the match will be deemed a concession by the team who couldn't fulfil the original fixture.
2. For the avoidance of doubt, genuine reasons, such as illness or school trips, for not being able to field a team or to provide appropriate adult supervision will not prevent the match being automatically deemed a concession unless the other team agree to a rescheduled date and the match is subsequently played.
3. If a match is rearranged after one of the teams failed to fulfil the original fixture for a reason other than i, ii, iii or iv above, but then the other team is unable to fulfil the rearranged fixture for a reason other than i, ii, iii or iv above, and the two sides do not agree to reschedule the match on another date, then the match will be deemed as Cancelled.
4. If a team feels it had an exceptional reason for not fulfilling a fixture, and that it does not warrant a concession, it should email the Competitions Secretary to request a ruling by the NHCDA Committee that the postponement will be treated as being under iv above.
5. In the event that a team cannot fulfil a match for a reason that the NHCDA Committee decides does not warrant a concession, a representative of that team must contact the opposition as soon as possible (and no later than 3 days before the scheduled date), in the first instance by phone, with confirmation by e-mail to the opposition and the Competitions Secretary. The teams should consider as many alternative dates as possible and do their best to agree on a new date. Both team representatives should confirm and communicate the revised date of the fixture to the Competitions Secretary no later than 5 days after the date of requesting the postponement. The alternative dates should take into account the opposition's preferred match day and that it must not clash with an existing fixture as recorded on the league website.
6. If a league match is called off for a reason that the NHCDA Committee decides does not warrant a concession or an abandonment, and if, despite the best efforts of both clubs to rearrange the match, the match is not subsequently played, then the match will be deemed as Cancelled.

MATCH POSTPONEMENTS DUE TO INCLEMENT WEATHER BEFORE A MATCH

1. In the event that a ground is not fit for play due to inclement weather conditions before the scheduled start time of a fixture, then the home team manager must communicate with the opposing team manager as soon as possible to prevent a team travelling.
2. The home team must offer as many alternative dates as possible and jointly agree with their opposing team manager a new date for the match to be played and both team representatives should confirm and communicate the revised date of the fixture to the Competitions Secretary no later than 5 days after the date of postponement.
3. If, despite the best efforts of both clubs, an alternative date cannot be mutually agreed for a match not played due to inclement weather, then the match will be deemed as Abandoned.

MATCH POSTPONEMENTS DUE TO INCLEMENT WEATHER DURING A MATCH

It is the sole decision of the umpires to call off the game if the conditions have become too dangerous to continue. In making such a decision the safety of players is paramount.

In the event that adverse weather conditions cause a match that has started to be postponed the following guidelines should be adhered to:

Scenario 1

- i) If any NHYCL League match is stopped at a juncture where half the allotted overs of the second innings have not been completed, then the match is deemed as being abandoned. The home team manager should then offer the other team manager as many alternative dates as possible on which the match can be replayed.
- ii) If a date to replay the match cannot be mutually agreed, or if a date to replay the match is agreed but in the event the rearranged match cannot be played for any reason, the match will be deemed Abandoned, unless either team emails the Competitions Secretary to request a ruling by the NHYCL Committee (such a request must be sent to the Competitions Secretary within 48 hours of the scheduled date of the rearranged match).

Scenario 2

For NHYCL league matches, if half the allotted overs of the second innings have been completed, then the match result will be decided as follows:-

- a) For all Leagues except Under 9s and girls Under 11s, the team with the best average run rate, to three decimal places, at the exact point of the game being abandoned, will be deemed the winner. In the event that the run rate is the same, then the match will be deemed a tie.
- b) For the Under 9 and girls' Under 11 Leagues, Scenario 1 will apply to any game which has started but is not completed, regardless of which point the match is stopped.
